Work Program Assistance

MPA has a thriving work-study program where each student works approximately 5-15 hours per week. Jobs can include working in the dormitory, cafeteria, plant services department, or as a grader for a teacher.

Total estimated student job opportunities:	Monthly	Yearly
On-campus Job	\$100 - \$300	\$1,000 - \$3,000

Additional ways to lower monthly payment amounts are outlined in the "Discounts, Scholarships, and Awards" information sheet.
