WHO IS MOUNT PISGAH ACADEMY?

Mount Pisgah Academy (MPA) is a vibrant Seventh-day Adventist boarding school catering to students in grades 9-12. Nestled in the picturesque community of Candler, North Carolina, the school is set against a breathtaking backdrop, just eight miles west of the charming city of Asheville. The expansive 130-acre campus is adorned with stunning landscapes that showcase the beauty of the Southern Appalachians, including the majestic 5,721-foot peak of Mount Pisgah, which lends its name to the institution.

At MPA, students are immersed in a nurturing and faith-based environment that encourages academic excellence and personal growth. As part of a global network of the Seventh-day Adventist education system, which comprises nearly 6,000 schools worldwide and over 1,000 secondary institutions, Mount Pisgah Academy stands as a beacon of quality education, fostering a sense of community and spiritual development among its diverse student body.

A HOLISTIC APPROACH

At MPA, we are committed to fostering the holistic development of our students—encompassing their physical, intellectual, and spiritual well-being—so they can unlock their fullest potential. We actively create opportunities for students to deepen their relationship with God through engaging service projects, meaningful mission trips, inspiring vespers programs, and daily interactions with our devoted staff.

Our robust academic program blends cutting-edge technology with practical teaching methods, ensuring that students receive a well-rounded education. Through our advanced diploma program, motivated students can participate in college-level classes, earning credits that pave the way for their future studies.

The small class sizes at MPA enable teachers to connect with each student personally, allowing for tailored support in discovering their inherent strengths. We equip every student with the resources and encouragement necessary to set ambitious goals and work towards their personal best. Together, we cultivate an empowering environment where students thrive and grow.

A Message From Our Principal

Dear Mount Pisgah Academy Family,

As alumni and friends return to Mount Pisgah Academy, many are reminded that this campus represents more than buildings—it represents lives shaped, faith strengthened, and futures launched. For more than a century, MPA has remained steadfast in its mission to nurture a relationship with God, pursue academic excellence, and prepare students for a life of service. Because of faithful supporters like you, that mission continues to thrive.

This year's Alumni Golf Tournament provides a meaningful opportunity to invest directly in student experience. Proceeds will support the transformation of our library into a Student Center designed for today's learners—a space that will foster collaboration, mentoring, academic focus, and healthy connection. This project is a tangible response to student needs and reflects our commitment to providing environments where students can flourish both academically and personally.

Your generosity is already making a visible impact across campus. Recent donor support and AdventHealth funded the resurfacing of our outdoor courts, now featuring three pickleball courts, one tennis court, and a basketball court. These improvements create more opportunities for recreation, intramurals, and community involvement, enriching daily student life and strengthening campus culture.

Looking ahead, we are excited to share that renovation and construction on our gym are scheduled to begin in March 2026. This project will enhance athletic programming and school spirit while creating a modern space that will serve students, families, and our broader community for years to come.

None of this progress would be possible without partners who believe in Mount Pisgah Academy's mission. Your support—through prayer, participation, and giving—directly translates into meaningful experiences, improved facilities, and lives shaped for purpose and service.

Thank you for investing in Mount Pisgah Academy and in the students God has entrusted to us. With His guidance and your continued partnership, the impact of MPA will extend well beyond our campus for generations to come.

Dewald Coetzer
Principal

THE ANDERSON GOLF CLASSIC

Mount Pisgah Academy is proud to announce its **26th Annual Anderson Golf Classic** at the Grove Park Country Club Golf Course on **Friday, April 17, 2026**.

The day will begin with an **8:00 a.m. tee-off**, setting the stage for an exciting tournament. Following the day of golf, **a complimentary lunch will be provided to all registrants** to celebrate the event and your participation.

As is our tradition, the proceeds from the tournament will benefit the new **Student Center** at Mount Pisgah Academy. By participating in or sponsoring this event, you are showing your support for the 110 years that Mount Pisgah Academy has provided quality Christian education to so many students.

We encourage you to have a four-man team ready to register, but if you are a single player or part of a smaller group, we'll match you up to form a foursome. The individual cost per person is \$185. The deadline to register is **April 10th**, and space is limited, so sign up today! You don't want to miss out on this incredible event.

How to Register:

You can register online through our website at www.pisgah.us/golf-classic or scan the QR code. One person can register the whole team, and individuals can pay for themselves separately.

If you have any questions, please do not hesitate to reach out to our Development Director, Chantell Coetzer, at chantell.coetzer@pisgah.us.
