MOUNT PISGAH ACADEMY

NORTH CAROLINA ASSISTANCE OPTIONS

Opportunity Scholarship Program

The Opportunity Scholarship Program provides tuition assistance of up to \$7,468 per year for awarded students living in North Carolina who choose to attend a private school. Mount Pisgah Academy is a participating non public school that accepts this assistance. The program is income-based.

We encourage eligible, prospective new students to apply for this scholarship. If acquired, this scholarship will nearly cut in half the tuition cost for a student. Registration for the Opportunity Scholarship is opened on February 1, 2024. The Priority Window closes March 1, 2024. The application will remain open until August 31, 2024 for students to be considered, as funds remain available.

To apply, visit <http://www.ncseaa.edu/OSG.htm>

Education Savings Account (ESA)

The Education Savings Account (ESA) Program provides assistance of up to \$9,000 per year for awarded students who enroll in a non public school. This program is for students with **disabilities**. The new student application opened February 1, 2024 and priority deadline is March 1, 2024.

Note: Children who are placed in a non public school by their parents do not have a right to receive all of the special education and related services that they would receive if enrolled in the public schools. Likewise, a private school does not have a legal obligation to provide special education and related services to students with disabilities. Parents are encouraged to select a non public school carefully and to establish a plan prior to enrollment which meets their child's educational needs.

Mount Pisgah Academy does their best to accommodate certain disabilities, but is not equip to assist all students with disabilities. Families are encouraged to speak with our registrar, Shane Bedwell, about what MPA can provide.
