# ALUMNI WEEKEND

APRIL 17-18, 2026

# HAIL TO DEAR OLD PISGAH

In the beautiful land of the sky,  
Is the school that we all love the best.  
Oh we love oak and pine,  
We love roses that twine,  
In the land that by nature is blessed.

Hail to dear old Pisgah,  
We will root for you.  
To your lofty purpose,  
We'll be ever true.

We love your hills and valleys,  
Your bells and classes, too.  
So be loyal to Pisgah's red and white,  
And her standards true.

## ALUMNI MERCH SHOP

We have created an opportunity for alumni to purchase Mount Pisgah Academy branded items. # VESPERS SPEAKER

## GARY ROUSE

Gary Rouse graduated from Mount Pisgah Academy in 1976. He went on to study at Southern Missionary College, now Southern Adventist University, where he graduated with a bachelor's degree in religion and a minor in physical education and health. He later went on to Andrews University, where he obtained his master's degree in administration.

Rouse spent 42 years working in the Seventh-day Adventist school system, including one semester as a part-time faculty member at MPA. Throughout his career, he taught Bible, math, health, and physical education. Rouse has also been a gymnastics coach, basketball coach, school chaplain, boys' dean, and vice principal. Before retiring, he served as Superintendent of Education for 23 years, first in the Iowa - Missouri Conference, and then in the Carolina Conference.

Rouse has a passion for the youth of the church. This guided his focus in the classroom - teaching the core subjects, while also helping each student grow in their personal relationship with Jesus Christ. His background has provided him with numerous opportunities to mentor students and educators.

In his free time, Rouse enjoys woodworking, leather crafting, and sports. His love for the outdoors has also led him to enjoy hiking, biking, riding horses, scuba diving, and spending time in the water. However, his greatest joy is found in Bible study - helping others find a closer walk with their Lord and Savior.

Rouse and his wife, Jayme, also a former teacher and conference office worker, have been married for 40 years. They have two married daughters, Kayla and Jill, as well as three grandchildren.

## ERNIE BOUGHMAN

Ernie Boughman ('91) is honored to participate in Alumni Weekend. The servant leadership demonstrated by Mount Pisgah Academy's faculty and staff has greatly influenced Ernie's career as a strategic planner, where he is blessed to provide insight on the confluence of leadership, ethics, character, and legacy. MPA laid the foundation for his passion for helping individuals and organizations identify core values, embrace personal responsibility, grow generosity, and develop integrity-

based cultures. While Ernie serves as Chief Financial Officer for Toole Design Group, a national planning and design firm, he finds his identity and joy in his beautiful (and much younger) wife, Gale ('94), their amazing children, Emma ('22) and Alex ('24), and our wonderful, merciful savior, Jesus Christ.

# Robert and Mark Addison

## Golden Rule Award

DR. ROBERT ADDISON

Dr. Robert Addison, '51, died peacefully, surrounded by his family on March 6, 2016. He was a perfect example for his family and friends, living the Golden Rule. Robert graduated from Mount Pisgah Academy in 1951. He treasured the family and many friends he was blessed to have in his life. He will be remembered for his love and many kindnesses to his family and friends.

“There is an eloquence far more powerful than the eloquence of words in the quiet, consistent life of a pure, true Christian. What a man/woman is has more influence than what he or she says.”

Robert Martin “Mark” Addison was born to Dr. Robert and Janyce Addison February 22, 1968. He was raised in a loving Christian home in Spartanburg, SC.

Mark was a joy and delight to his parents and three older sisters, Angela, Susan and Bonnie. He attended church school at Eddlemon Memorial Adventist Church School.

He came to MPA in the fall of 1984 and instantly established himself as a leader. Though an excellent scholar, he showed an amazing ability to bring people of different groups and ideas together in laughter. Whether leading out in talent shows, hosting banquets, or mischievously orchestrating practical jokes, he brightened the lives of fellow classmates and faculty. He graduated in 1987 as the president of his class. Mark further developed these leadership skills while attending Southern Adventist University, from which he graduated with a degree in business in 1991. While there he distinguished himself with high grades and was a campus leader and extraordinary entertainer. At Southern he made the acquaintance of Stephanie Rauch, whom he married in 2004.

He received his Juris Doctor degree from Wake Forest University School of Law, and practiced in Winston Salem, NC and Chattanooga, TN. At the time of his untimely death, he was First Vice President and Trust Advisor with Sun Trust Bank. He practiced always with precision, clarity and utmost honesty. Just prior to

his death, Mark had been notified he was selected to present cases before the Supreme Court.

Tragically, Mark died unexpectedly from a sudden heart attack on January 9, 2015. In addition to his wife Stephanie (Rauch), he left a son Gavin, who was 6 years old at the time of his father's death. Gavin will continue to learn of the positive contributions his father made over the years.

Mark was known as one who bridged divides among diverse groups and brought them together - often with laughter. He lived the "Golden Rule".

The Robert and Mark Addison Golden Rule Award honors the senior students who demonstrate living the Golden Rule. The Addison family is happy to present this award each year to a male and a female senior student who exemplify Christ's dictum to "Do unto others as you would have them do to you." Matthew 7:12

## GEORGE GROW SCHOLARSHIP

GEORGE & LINDA GROW

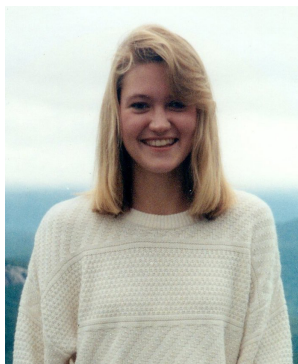

exhibited by Mr. Grow, started The George Grow Award.

Mr. Grow received a B.A. in Chemistry from Andrews University and later received a M.Ed. in Biology from Western Carolina University. He and his wife Linda joined the staff of Mount Pisgah Academy in the fall of 1968. During his time at Mount Pisgah Academy, Mr. Grow touched the lives of more than 3,000 students. In 1996, one of these students, who remembered and appreciated the character traits

To qualify for the award, students must have attended Mount Pisgah for at least three and a half years and best exemplify the following characteristics: a committed, practicing Christian; dependable and reliable; willing to help others in any way possible; cheerful and even-tempered; and a good student who is eager to learn.

# HEIDI JO POSSINGER

## MEMORIAL SCHOLARSHIP

Heidi Jo Possinger, born on November 22, 1971 in Loma Linda, CA, was an answer to prayer for her two older brothers, who had prayed diligently for a little sister. From the day Heidi arrived, her brothers appointed themselves as her protectors.

After her family moved to North Carolina in 1984, Heidi attended Captain Gilmer Elementary School and Fletcher Academy. For her junior and senior years she attended Mount Pisgah Academy, where she touched the lives of everyone she met. After

graduating from MPA, Heidi attended Southern Adventist University. During her three years there, Heidi traveled with the College Orchestra and added a new instrument to her repertoire – the organ. She was also able to tour China with the New England Youth Ensemble.

Heidi had many talents and interests. She avidly studied the viola and piano and accompanied her brothers often in musical performances. Heidi competed along with her horse in local shows, and enjoyed performing in a variety of sports, especially track. Heidi also worked in her father's doctor office during holidays and became proficient in any area where she was needed.

It was during her third year as an accounting major at SAU that Heidi was diagnosed with leukemia. One of her friends from MPA immediately headed a bone marrow drive on campus to help find a donor for a transplant. A donor was finally found and Heidi flew to Seattle for the transplant. The operation was successful, but the leukemia eventually returned.

Heidi's strong faith in God and positive attitude made things more bearable for her. She knew if she placed her life in God's Hands, whatever happened to her would be okay. And so Heidi Jo Possinger died in peace June 7, 1996 with the knowledge that God would give her a new life upon His return.

The Heidi Possinger Music Scholarship was started by members of the Class of 1990 in honor of their 10-year reunion. This scholarship is given annually to a student who is in good academic standing and especially talented in music.

## CLASS OF 1999 SCHOLARSHIP

The Class of 1999 Scholarship is given to a student who works hard to excel in school and earn good grades. The student should be someone in good standing and in financial need. This scholarship is designed for someone who enjoys volunteering and has an attitude of giving back to others and the community. They should share their faith and be a good example to their peers.

## SUKARI HOOLEY SCHOLARSHIP

SUKARI HOOLEY

This scholarship is awarded to a worthy junior or senior student at Mount Pisgah Academy who has shown exceptional effort in working to pay their own school bill.

The recipient of this scholarship is chosen by the school administration.

## Sharon Pearson SCHOLARSHIP

The Sharon Pearson Community Service Scholarship provides support to a Mount Pisgah Academy student who demonstrates excellent leadership skills through his or her outstanding volunteer work in the community. The recipient must be a rising junior who has a passion for making a difference in his or her community through active engagement and service. Financial need should be considered.

Sharon managed volunteer activities for CarePartners Foundation and is a great example of how helping others spreads joy and gratitude in the lives of so many. This is funded by WNC Bridge Foundation.
