WHO IS MOUNT PISGAH ACADEMY?

Mount Pisgah Academy (MPA) is a vibrant Seventh-day Adventist boarding school catering to students in grades 9-12. Nestled in the picturesque community of Candler, North Carolina, the school is set against a breathtaking backdrop, just eight miles west of the charming city of Asheville. The expansive 130-acre campus is adorned with stunning landscapes that showcase the beauty of the Southern Appalachians, including the majestic 5,721-foot peak of Mount Pisgah, which lends its name to the institution.

At MPA, students are immersed in a nurturing and faith-based environment that encourages academic excellence and personal growth. As part of a global network of the Seventh-day Adventist education system, which comprises nearly 6,000 schools worldwide and over 1,000 secondary institutions, Mount Pisgah Academy stands as a beacon of quality education, fostering a sense of community and spiritual development among its diverse student body.

A HOLISTIC APPROACH

At MPA, we are committed to fostering the holistic development of our students—encompassing their physical, intellectual, and spiritual well-being—so they can unlock their fullest potential. We actively create opportunities for students to deepen their relationship with God through engaging service projects, meaningful mission trips, inspiring vespers programs, and daily interactions with our devoted staff.

Our robust academic program blends cutting-edge technology with practical teaching methods, ensuring that students receive a well-rounded education. Through our advanced diploma program, motivated students can participate in college-level classes, earning credits that pave the way for their future studies.

The small class sizes at MPA enable teachers to connect with each student personally, allowing for tailored support in discovering their inherent strengths. We equip every student with the resources and encouragement necessary to set ambitious goals and work towards their personal best. Together, we cultivate an empowering environment where students thrive and grow.

A Message From Our Principal

Dear Mount Pisgah Academy Family,

As we walk through the halls of Mount Pisgah Academy, it's impossible not to feel the deep sense of purpose and inspiration that this school embodies. For over a century, our mission of nurturing a relationship with God, pursuing academic excellence, and emphasizing service to others has been at the heart of every moment spent here. It's a mission that continues to transform lives, guiding students to discover their potential and equipping them to make a difference in the world.

At Mount Pisgah Academy, we witness the profound impact of a Christ-centered education. Students grow not just academically but spiritually and socially, gaining the tools they need to thrive as compassionate leaders in their communities. Our alumni often reflect on how the foundation they built here shaped their character and faith, and how the friendships and memories they created have lasted a lifetime.

Looking forward, our Masterplan is a testament to our commitment to providing a well-rounded and life-changing high school experience. In Phase 1, we will completely renovate our gym, creating a space that fosters physical health, teamwork, and school spirit. Phase 2 will bring exciting upgrades to Waller Hall and the addition of a state-of-the-art music center, enriching our students' creative and academic pursuits. These enhancements are designed to ensure that Mount Pisgah Academy remains a beacon of excellence for generations to come.

Achieving these goals requires the unwavering support of our Mount Pisgah Academy community. Together, we can turn this vision into reality. Your prayers, contributions, and engagement are vital to the success of this mission. As we unite in purpose, we reaffirm our dedication to providing an education that changes lives and prepares students for a life of service, excellence, and faith.

Thank you for your commitment to Mount Pisgah Academy. With God's blessing and our shared efforts, the best is yet to come.
