Stuff You Have to Know

We are so blessed that by God's grace we are all safe from the storm. We missed our students during the time they were gone. Please continue to pray for those individuals that lost so much. The devastation is vast, but God's still in control! Mrs. Coetzer is taking groups of our students out to distribution centers each day to volunteer to help sort and hand out supplies for those in need. The outpouring of love, donations and help has truly been remarkable and life-changing!

Please note that after our time away from school, we had to change some dates on the calendar. Please make sure you check our "live" calendar through the MPA App or on our school website. It is important to check it often as updates are continually made so that you can stay informed. If you have any questions as to how to access the calendar, please let us know.
